Mr. Patrick Buchanan
Private Wealth Management
1540 International Parkway, Suite 3030
Lake Vary, Florida

Dear Mr. Buchanan:

Congratulations on Private Wealth Management recently being included in the *Orlando Business Journal's* list of top 25 philanthropic companies. You are to be commended for your generosity and building a company that is recognizable within your community. Because entrepreneurship is the foundation of Florida's success, I am focused on making the Sunshine State the best place for businesses to grow so that entrepreneurs like you can succeed and continue adding private-sector jobs to Florida's economy.

We are seeing evidence that our pro-growth, business friendly strategies are working to increase opportunities for Florida families to pursue their version of the American dream. With Florida's statewide unemployment down 4.1 percentage points since December 2010, we remain focused on creating jobs for Florida families. Florida's unemployment rate remains below the national average for the sixth consecutive month, and we will continue working tirelessly to make sure Florida families can pursue their dreams by getting a great job and having access to a quality education.

Your efforts, along with the Sunshine State's economic turnaround, are making Florida the best place in the nation to live, work, and raise a family. You have my best wishes for your continued success, and I invite you to join me in bragging about the Sunshine State.

Sincerely,
